

FOR BETTER

Weddings at Renaissance Wind Creek Aruba Resort

“To have and to hold...” It’s not just a promise you’ll make on your wedding day. It’s a vow to cherish the memories of that special day. To keep them close and visit them often. And anything kept this close to your heart should be perfect. From the couple’s massage and private cabana to the secluded beach where you’ll exchange those sacred promises, it’s all here and waiting for you. When you plan your wedding at Renaissance Wind Creek Aruba Resort, the day will be just as good as the memories.

PRIVATE ISLAND

Just beyond swaying palms that gently caress Aruban skies, one-of-a-kind memories patiently await realization: at Renaissance Aruba's Private Island. While the island holds many options for unique wedding experiences, the private shores of Renaissance Island's Coral Beach will elevate your special event to otherworldly heights. You can exchange vows while stealing glances of spectacular sunsets, strolling hand-in-hand along white-sand beaches past exotic pink flamingos, pausing only to capture special moments against the backdrop of breathtaking Caribbean views.

The pristine shores of Coral Beach provide an exclusive environment for your wedding party, accessible by a romantic stroll through the mangroves. Coral Beach can accommodate up to 175 guests for your ceremony and up to 60 for the reception to follow. If your reception will be attended by more than 60 guests, nearby Iguana Beach will easily accommodate larger parties.

If you prefer your nuptials to be less secluded or are planning on an extensive guest list, we have a multitude of venues to choose from. For the biggest weddings, the Convention Center can handle your closest friends and family – and then some. Our elegant and spacious ballroom is the perfect location for up to 1,000 guests. Festival Plaza is a tropical dream, with a palm-lined Caribbean vista and beautifully manicured lawns which can accommodate up to 200 guests. Finally, our Renaissance Ocean Suites Beach can host up to 100 guests and is perfect for those looking for a more intimate option. Whatever your needs are for this amazing day, Renaissance Wind Creek Aruba Resort will be there to make your dreams come true.

OVERNIGHT STAYS

The white sands of Renaissance Island are already some of the most exclusive in all of Aruba, only accessible to the guests of Renaissance Wind Creek Aruba Resort. Now, you can reserve these private shores for yourself and a special guest for a single night. After 7pm, Renaissance Island transforms into Lover's Island—a scenic overnight destination with bountiful luxuries and secluded beaches hidden out of view from the outside world. So do yourself a cabana companion to cozy up next to, as you both discover what it's like to have an entire paradise all to yourselves.
